**Sub: Inviting contributory papers for 36<sup>th</sup> DAE Safety & Occupational Health Professionals Meet (DAE-SOHPM), 2019**

The 36<sup>th</sup> DAE Safety & Occupational Health Professionals Meet will be held during August 21-23, 2019 at Nuclear Fuel Complex, Hyderabad. Themes for this year's Meet are **“Effective management of operational experience towards enhanced industrial safety”** corresponding to industrial safety aspects while **“Effective management of medical emergencies at workplace”** corresponding to occupational health aspects. In these annual Meets, plenary sessions are being conducted in which selected contributory papers are presented by the authors from various DAE units. In continuation to this, contributory papers based on following topics are hereby invited from DAE units, for this year's meet.

Topics for contributory papers on industrial safety theme - Effective management of operational experience towards enhanced industrial safety

1. Feedback of operational experience and its utilization for enhancement in industrial safety
2. Mechanisms for operational experience feedback w.r.t industrial safety
3. Lessons learnt from events in projects for enhancement of safety
4. Root cause analysis of the events for effective implementation of corrective measures
5. Case studies - effective management of operational experience towards enhanced industrial safety

Topics for contributory papers on occupational health theme - Effective management of medical emergencies at workplace

1. Trauma management (including crush injuries, fractures, amputations, fall from height etc.)
2. Management of toxic inhalations
3. Management of chemical burns
4. Management of cardiac emergency at workplace
5. Role of first aid treatment in medical emergencies
6. Pre hospitalization management
7. Emergency kits at site and in first aid centres
8. Management of medical emergencies at construction project sites
9. Case studies of medical emergencies at workplace

The technical and occupational health staff of your unit can submit soft copies of full text of the contributory papers through proper channel to the email address - **daesohpm@aerb.gov.in**. The papers should be written in the format enclosed herewith.

This year it has been decided to upload the contributory papers on the web page dedicated for this year's Meet on NFC web site. The web page will be active for a month from the last date of the Meet.

It is requested to give wide publicity to this invitation in your unit and encourage personnel for participation. It is requested to send the soft copies of full text of the papers by email on or before June 30, 2019.
